

Thorn Ogres of Hagwood (The Hagwood Trilogy Book 1)

Fun for Hobbit-addicts and Potter-phailes of all ages. Publishers WeeklyDark forces are brewing in HagwoodThe werlings of Hagwood live peacefully in the trees of the forestoverlooked and unbothered while they leisurely perfect the art of wergling (shape-changing). But unlike his fellow werlings, the bumbling Gamaliel Tumpin cant manage to wergle into even the simplest of formsa mouselike his peers. Hes tormented by his sister, Kernella, and teased by his classmates. And he envies star student Finnen Lufkin, who can transform into almost any creature.But wergling will soon be the least of Gamaliels troubles. The evil elf queen Rhiannon, the High Lady of the Hollow Hill, is desperately seeking a precious possession that was stolen long ago. Her evil knows no bounds, and with her army of monstrous thorn ogres, she will not stop until its found. The werlings peaceful existence is threatened by death and dangerand clumsy, awkward Gamaliel will need to call on the strength within him to fight for his family and his home.This ebook features an illustrated biography of Robin Jarvis including rare photos from the authors personal collection.
