

Amateur Bulletin No. 935. [General Radio Company]

A Supplement to Bulletin No. 934. Unit Panels & Accessories, Inductor Forms & Shields, Universal Racks, Knobs & Dials. Not dated, but it has the logo of the NRA [National Recovery Act] and refers to the Bakelite-case meter and Navy specifications, so probably early 1940s. Line drawings, product information. [no date] c.1940s
