

The Monk Who Sold His Ferrari: A Spiritual Fable About Fulfilling Your Dreams and Reaching Your Destiny

In this wonderfully crafted fable, protagonist Julian Mantle, a tough, high-powered, and incredibly driven lawyer, changes his life radically after a heart attack nearly kills him. To the amazement of all, he decides to abandon his successful career, sell all his possessions, and trek to India in an effort to find timeless wisdom on living a more meaningful life. Months later, when he returns to the West looking tranquil and radiantly young, he recounts the story of his life-changing journey through the Himalayas, sharing with his former law protégé seven principles and practices he discovered there that can help us get off the career treadmill and begin to experience the true joy of life. The Monk Who Sold His Ferrari imaginatively presents a set of simple yet profoundly effective lessons for personal growth, created by bestselling author and renowned professional speaker Robin S. Sharma, based on his own search for life's true purpose. In a tale that is both wondrous and mystical, Sharma offers practical and wise advice on how to: develop joyful thoughts follow your life's mission and calling look within for success cultivate self-discipline and act courageously value time as your most important commodity nourish your relationships and live life fully, one day at a time.
