

# Beyond the Broken Gate: An Ordinary Mans Extraordinary Journey

Charles Graybar had all of the trappings of a financially successful existence; literally, living the American dream. As he reached his late 30s he was stunned by the realization that his life felt incredibly empty and seemingly without purpose. While experimenting with a self-designed combination of meditation techniques that he used to escape the stresses of corporate life, he stumbled upon a perceptual gateway of sorts in 1993. Through this gateway Graybar learns that communication with three advanced souls is possible. Beyond the Broken Gate is a chronicle of Graybars search to find meaning in his discovery and the very purpose of life.
