

## Peters Picture

One day at school Peter paints a picture of a big orange flower. Its the best picture hes ever painted. Proudly (and very carefully) he carries it home, showing it to everyone he meets along the way. Everyone agrees that it is a wonderful picture, but they all go a bit overboard with their praise and come up with some silly suggestions for what to do with the picture. By the time Peter gets home, he is convinced that no one really understands and appreciates his work of art. But Peter is in for a surprise, for his proud parents know just what to do with Peters picture.
