

The Ghost Of The Haunted Cave

When Amos, Clinton and their gang of amateur ghost-hunters decide to up the ante in the pursuit of the scariest of ghosts, they realize they may be playing a game where the losers will pay the ultimate penalty...their lives. Penned in the spring/summer of 2015 by 11 year old newcomer Brady Griffin, *The Ghost Of The Haunted Cave* is a terrifying, yet humorous journey into the world of the macabre...where ghosts, gorillas and school-yard bullies all engage the books unlikely heroes, testing their mettle every step of the way. This easy to read, horror-filled ode to pop culture is Mr. Griffin's first step into the literary world, and hopefully not his last.
