

## Staying in Tune #4 (Forever Four)

They wanted to give every girl a voice. They had no idea they'd make so much noise. 4 Girls is created from the very best thoughts, ideas and dreams of four girls. But when Miko has to take a step back from the magazine again, Paulina, Tally and Ivy decide to run a contest for one lucky student to have his or her work featured on the cover. Miko will help them judge the entries, along with a new faculty advisor who seems to want to steer the girls in a new direction. Can these four girls keep their one vision in sight, or is it time to strike out on their own?
