

## Good Night Texas (Good Night Our World)

Many of North America's most beloved regions are artfully celebrated in these boardbooks designed to soothe children before bedtime while instilling an early appreciation for the continent's natural and cultural wonders. Each book stars a multicultural group of people visiting the featured areas' attractions such as the Rocky Mountains in Denver, the Georgia Aquarium in Atlanta, Lake Ontario in Toronto, and volcanoes in Hawaii. Rhythmic language guides children through the passage of both a single day and the four seasons while saluting the iconic aspects of each place. Featuring all new illustrations, this completely revised edition highlights many of the Lone Star state's most iconic places, including NASA's Johnson Space Station, the Alamo, the Gulf of Mexico, Dallas, Houston, and Texas wildlife, such as longhorn cattle and prairie dogs.
