

Madison and Mason Learn the Values of Fitness

Grades 3rd-8th Madison and Mason are twins who play video games and eat junk food on the weekends. The children barely spend time outside getting enough exercise. This eBook, written by A. Daniels, helps all children realize the values of exercising and how much fun you can have by incorporating physical activities into your daily lives. The bright illustrations will help keep your child's attention while the message will encourage them to have fun. Parents/teachers there are 10 questions and answers located at the end of this eBook.
