

Where Is Catkin?

Catkin jumps off Amys lap and climbs over the wall. It is time to hunt. Catkin slithers through the grass, creeps by the pond, and explores a rock pile. Along the way he follows the sounds of animals and insects. Kerik-Kerik. Catkin sees something shiny and small in the thick grass. Catkin hops-but the cricket gets away. Garrump. Garrump. Catkin sees something green and spotted. Catkin leaps-but the frog hops into the water. When Catkin hears a rustling by the tree he climbs up to the highest branch to investigate. But its a long, long way back down to the ground. Meeow. Meeow. Now who will hear Catkin and rescue him? Author Janet Lords simple, satisfying story of a mischievous cat is richly portrayed in Julie Paschkiss gorgeous illustrations that celebrate the patterns and shapes founds in nature.
