

## The Very Greedy Boy

The very greedy boy loves to eat. All the time. Hes even got a secret collection of sweets and treats hidden under his bed! Then on the day of his birthday party, his mother warns him to stay away from the food until the guests arrive. But the very greedy boy has other ideas... with rather unexpected consequences... A fun story, perfect for 4 to 8 year olds, humorously presented in rhythm and rhyme, with interesting and original retro pictures to enjoy! Specially formatted for Kindle Fire and Kindle Fire HD.
