

## What a Twinkling World

This is a lyrical poem and enchanting picture book wrapped into one: Download the free song-version of books verses, performed as a lullabye by the author, at <https://colettebone.bandcamp.com/track/wh-at-a-twinkling-world>. These rhyming verses and pictures were inspired by the wonder and beauty that capture children and adults alike as we gaze at twinkling stars, waves, snow, city lights, and more. This book stirs the reader to explore the world and find the joy of light shining all around us. Regardless of when and where one is born, reading this book will remind you of the beauty and wonder twinkling all around us - even within our own eyes. The poem was created to match the timeless tune of Twinkle, Twinkle, Little Star. You might find yourself making up your own verses as your eyes are opened to the twinkling world around you!
