

## Sex, Wigs & Whispers: Love and Life with Hair Loss

The Bible for any woman living with hair loss. Emmy Nominated Soap-Opera Star Amy Gibson brings you a ground-breaking How-To guide that provides essential, practical, life-saving tips for living with hair loss and keeping your wig a secret in successful dating, sex and intimacy while building your confidence and self-esteem to live a fulfilling, active life as a vital woman. Amy Gibson is an Author, The Voice of Hair Loss, Alopecia Spokesperson and the Leading Personal Hair Loss Consultant and Innovative Wig Designer for women in the U.S. In *Sex, Wigs and Whispers*, Amy literally walks you through every stage of hair loss: from dealing with your emotions, to showing you all that she has taught her clients, including professional styling tips to help you keep your look authentic and feel gorgeous and complete in your own skin again. In a bold clear voice, she addresses sensitive areas that many women have either been too afraid to talk about or have had no one to ask such as: When is the right time to tell my partner about my hair loss? How do I date with my wig on without my partner finding out? How do I physically handle my wig so it doesn't come off during sex? After losing her hair at a young age due to alopecia, Amy Gibson has dedicated her life to helping women worldwide cope with hair loss. Amy's story becomes even deeper however, as she reveals her own personal issues which include abuse during her fragile childhood, date rape and the many challenges she endured facing dramatic hair loss while starring as an Emmy-nominated lead actress on Daytime Soap Operas. She reveals the lengths she had to go to, to keep her secret from friends, lovers, cast mates and the Hollywood community. With poignancy and clarity, she takes you on her very personal Survival Story to show you that you too, can rise and overcome... You too,

can go on to live a happy, healthy and spiritually rich and fulfilling life. Hair or no hair! As a result of her own experiences, Amys passion and dedication have been a bridge for alopecia sufferers whove lost their hair along with their confidence, to give them hope, inner strength and the necessary tools for feeling comfortable wearing a wig and living with hair loss in every area of their lives, so they can enjoy a full active life while staying connected to their power, and keep their secret, if they wish. If you have suffered hair loss of any kind, Amy Gibson is your go-to girl to restore your sense of self. Join Amys community, read Amys book and youll be empowered emotionally, psychologically, spiritually and sexually too! Amy walks the walk... and she does it with Style!
