GENRE: Childrens Adventure (An Unofficial Minecraft Book for Kids Ages 9 - 12 (Preteen)) Stevie the Minecraftian lives a normal life in his little town and spends his time pranking the inhabitants with his group of friends. What he does not expect is to discover a creature he wasn't sure existed until one night out doing his tricks. They become unlikely friends and Stevie is curious about what brings him in his world. The group of friends have an unexpected adventure which leads Stevie back to this creature. Could it have more meaning? Stevie wants to find out. The creature leads him through all kind of places and beings, which the Minecraftian could not even start to try and imagine. He unearths dark and scary places of his innocent world and travels to unknown and mysterious sites. Not only does he realize how big the world is, but how insignificant his life is in the chaos of nature. Through explorations and adventures, Stevie discovers what is really happening on the other side of the world and his place in it.
