

Tangerines and Tea, My Grandparents and Me: An Alphabet Book

With heartwarming illustrations and fun rhymes, this alphabet book is perfect for grandchildren and grandparents alike! Visiting grandparents is always an adventure, whether rooting through drawers, playing pretend, or relaxing and reading together in a comfortable chair. Join two boisterous siblings as they leave home to be guests on their grandparents farm during different seasons of the year. Providing fun rhymes like the songs we sing while we sit on the swing, and an oak tree to climb one limb at a time, both adults and children will have fun singing and reading along together, as they learn the alphabet! Yumi Heo's whimsical illustrations provide the perfect complement to the rhythm of Ona Gritz's jubilant ABC text. Grandchildren of all ages will recognize themselves in this book's appreciative look at the warmth and happiness that grandparents provide.
