

The Crocodile and the Scorpion

Its hard to make friends when youre always stinging or biting someone...Down by the great big, brilliant blue river, a not-so-bright crocodile and an equally pea-brained scorpion lived peacefully by themselves. One day, the scorpion realized he needed help getting across the river. Could they control their natural instincts long enough to make it across together?Rebecca and Ed Emberley offer a sprightly new twist on another classic tale with colorful artwork so bold and bright it snaps off the page.
