

## Trapped (Dangerous Games)

Dangerous Games is a range of adventure stories aimed at reluctant older readers. The series is set in a computer games company and follows designers Sima, Kojo and Tom. Each story sees them designing and developing a computer game which they then enter for real - encountering exciting and sometimes deadly situations... Trapped deep underground on a caving adventure, the trio find themselves in terrible danger. Even worse, they've accidentally taken other people into the game with them. Tom hatches a daring escape plan, but time is running out fast. Will he succeed, or are they all going to be lost forever?
