

Getting Rid of Marjorie

When summer comes, Emily is looking forward to spending more time with Grandfather. Ever since Grandma Ellens death, Emily has felt especially close to him. Hes never too busy to listen to her, and he always understands her feelings. But Emilys summer is unexpectedly ruined when Grandfather returns from a vacation with a new wife. Her name is Marjorie, and Emily hates her. Theres no way Marjorie can replace Grandma Ellen, and shes certain to destroy Grandfathers happiness. So Emily decides to get rid of her. The jealousy and problems caused by Marjories arrival are refreshingly handled in the first novel by Betty Ren Wright.
