

## Scholastic First Discovery: Endangered Animals

One of the most beloved titles from the popular First Discovery series-- now in a new, larger paperback format. With its fresh cover design, more kid-friendly paperback format, and larger trim size, Endangered Animals offers young readers an easy-to-use, easy-to-understand introduction to the topic. Full-color, highlighted illustrations are accompanied by brief, simple text full of fun facts. Four transparent acetate pages reveal the endangered animals struggling to survive on our planet and our responsibility to help them.
