

## Life with the Alley Cats (The Name Giver series)

Its winter vacation time, and the family is making all the arrangements for the big trip to Mexico. A.T. Kitty and her brother, Whiskers are excited to go on their first family adventure. Their bags are packed. They are in the car. However, the only vacation the two kitties are going to have is with the Grandboys. A.T. Kitty is so angry to be left behind in a cramped apartment while the rest of the family enjoys the trip to sunny Mexico. The Grandboys fight over everything, until our Kitty has to make a difficult decision. She jumps out the window! And begins her latest quest to find her way back home where she belongs. Our Kitty takes a detour on the road back home and decides to visit with the Alley Cats. This band of forgotten cats welcomes Kitty into their gang if she is willing to work with them to keep the alley free of pesky pests. The Name Giver series of books was especially written for kids of all ages who love kittens and their crazy habits. This book has a 3.5 reading level.
