

Ten Ways To Make My Sister Disappear

Ten years after WHEN SHE WAS GOOD launched Arthur A. Levine Books, Mazer brings us TEN WAYS TO MAKE MY SISTER DISAPPEAR, a humorous look at a blistering sister rivalry. Everything ten year-old Sprig wants, her older sister Dakota already has. Everything Sprig does, Dakota does better. And anytime Sprig complains, Dakota just grins and calls her a baby. Its enough to make a kid wish her sister would disappear. But in a year when Sprigs father is away, her favorite neighbor is ill, and the class bully is acting almost like, well, a boyfriend, Sprig discovers that allies come in unexpected shapes. Sometimes theyre even related to you.
