

Jacksons Blanket / La couverture de Jackson: Babl Childrens Books in French and English

La couverture de Jackson / Jacksons BlanketBabl Childrens Books in French and EnglishJackson loves his blanket more than anything in the world. Hes had it since he was born, and he brings it everywhere - to grandmas house, on vacation, to the doctors office. His parents tell him hes too big to be carrying his blanket with him all the time, but hes just not ready to put it away! One day, when he finds a cold, lonely little kitten in the snow, Jackson realizes that sharing his blanket might be more important than keeping it all to himself. From Nancy Cote: As Jackson discovers, its so easy to make the world a better place. Wrap your love around a homeless pet. Support your local animal shelter! Reviews The streamlined text and realistic watercolor illustrations come together to show how a boy grows up just a bit when the time is right. A great addition to most collections. - School Library Journal Cotes functional illustrations, in watercolor-pencil and gouache, are pleasant, but the real meat is in the text. With a non-preachy and empowering ending, this story will certainly ring true to those ready (or not quite) to give up their loveys. - KirkusAbout Babl BooksBabl Books partners with award winning authors to bring your favorite books to a variety of new languages for children all over the world to enjoy. Our bilingual books bring generations closer together through reading and language, help teachers connect with their students in their own language, and give children all over the world access to books they never would have access to.
