

Love, Pain and Survival: A Marine Corps Veterans Poetic Journey

**Love, Pain and Survival:
Marine Corps Veteran's
Poetic Journey**

A collection of poetry and a few pieces of prose documenting a brutal five year span of my life following my discharge from the Marine Corps, and expressing my internal struggles with romance, my self perceived failure, and trying to adapt to an America that suddenly seemed very alien. For some time I was prisoner to depression, and with some of my injuries a prisoner to my own body. My struggle continues, as all life must struggle to exist, but this is my story.
