ORDER THIS BOOK WITH THE NAME OF YOUR CHOICE at LiveWellMedia.com CUSTOMER REVIEWS Affirmations Make a Big Difference: I just read this book and loved it! Although its written for children, anyone (young or old) can benefit from its wisdom. I firmly believe that affirmations make a big difference in the way we see the world. And this book is written in such a way that kids of all ages will gain from it. Kudos, Suzanne, for writing it and for serving the world. ~ Jay Platt of Unstoppable Insights My 3.5 year old son received this book as a gift, but I have to say the affirmations spoke to me as well! Youre never too old to be reminded that you should love yourself and celebrate all that is great about you! ~ Stephanie, Mother of Ben An AMAZING Gift! Everyone should have this book!: This book is truly special!! From the front cover to the back cover it is an amazing gift! The photos are bright and fun, full of life and love. and isnt that what life is all about! This book would be a special gift for ANYONE young or old. We all need an extra reminder now and then of who and what makes the most impact on our lives. I will be filling my Christmas shopping list by ordering several more. This will be a gift with meaning and substance. ~ Anny I am ordering a duplicate set. I absolutely love these books. Will give to grandsons for Christmas gifts and keep one set at my house to read together when little boys come to visit. ~ Lauralee This book has a warm, playful theme that kids will love, adults will feel good reading such positive affirmation for their kids to read over and

over again. I highly recommend a copy for home and as a gift for loved ones! ~ Sarah, Mother of Gabrielle and Annika As a mom of two little girls, Im pretty picky about their toys and books. Trust me, there are a lot of crappy childrens books out there- it isnt easy to write a good one... This book has been effective at helping her to build confidence in herself and around animals. What a great combination! ~ Amy, Mother of 2 Girls My twins give four thumbs up! Ms. Marshall has a gift for touching the hearts of her young readers, as well as those who are young at heart. ~ Leila, Luke and Sasha
