

## Superhero Max

Wiffle Biffle! These words turn Max into a superhero. But can a regular boy ever learn to be himself? Its almost Halloween, and Max still doesnt have any friends at his new school. So when the teacher invites all the kids to come in costume for the big day, Max knows just what hell be. He becomes Captain Crusader, Superhero. Its a game he loved playing with his old friends, and now his classmates all want to play with him too. Captain Crusader fights all sorts of villains. Hes liked and needed by everyone. But when Max persists in being a superhero costume and all after October 31st, the kids start to lose interest. Max pouts and acts out. His family begins to worry that he isnt himself anymore. Can Max leave his superhero games behind long enough to see whether the kids like him for who he really is?
