

Tame Your Manners: At KAMP Safari

Tame Your Manners is a fun, meaningful, and most important, memorable way for a child to learn manners. Any adult or child who reads this book will delight in the clever illustrations and correlations of animal characteristics to the manners advice. Phrases like Lions Don't Need to Roar, Don't Be a Whino Rhino, and Stand Tall Like a Giraffe are easy-to-grasp concepts for children. With the demanding schedules of parents, caregivers, and teachers, the importance of social skills is often overlooked. Learning social skills early, especially during childhood, can shape a child's character and greatly impact his or her life for the better. The EW Foundations (EWF) vision is to teach, inspire, and motivate children to perform spontaneous acts of kindness and consideration. The benefits they receive from simple, good behavior will be both tangible and intangible. Our belief is that children can do well by doing good deeds. The topics covered in this book are part of the EWF's KAMP curriculum, a 2015 Promising Practices national award winner by Washington, DC based Character.org.
