

Marigold Brightbutton and the RoseGrow: Read Aloud Stories - Series One

About Marigolds Adventures - Marigold Brightbutton and the Rose Grow Marigold Brightbutton is not what youd call bright. For example, in this adventure she drinks an unknown liquid called RoseGrow. It makes Marigold grow so tall she reaches the clouds. When her parents discover the calamity they resort to some equally alarming behaviour. In the end everything turns out all right, but not before Marigold has created mayhem and hysteria in the town. In that respect, she is the spitting image of her father, as you will find out in Marigold Brightbuttons Birth Day. Marigold Brightbuttons adventures came about when a teacher mentioned to me that she could not find any stories that described Golden Rules of safety. Although Marigold was not quite what she had in mind, each adventure has been fashioned around a Golden Rule. The adventures are designed to be read to the child by an adult (perhaps a grandparent or teacher) because the stories contain many asides directly addressing the listeners. The adult reader can then explain or elaborate on the preposterous events that happen to Marigold and her family. Watch out for these other Marigold Brightbutton Adventures: >>Marigold Brightbuttons Birth Day >>Marigold Brightbutton and the Rose Grow Marigold Brightbutton Goes to School >>Marigold Brightbutton and the Fireworks >>Marigold Brightbutton and the Missing Shed If you enjoyed these stories about Marigold Brightbutton please leave a comment as a review on the books page. We would both really appreciate your feedback. About the author Heather Sylvawood is a mother, grandmother and former teacher who now spends her time writing, short stories for adults and children.
