

## The Adventures of Tess-Swim Class

As featured on News 12 Westchester, New York, The Adventures of Tess, Swim Class will help children overcome their fear of swimming and interact with the water through step by step instructions on how to swim safely. Your child will learn to swim in a fun and relatable way! This book takes children on an adventure in the water! It helps make them feel confident and excited about swimming. The Adventures of Tess is a new magical childrens book series for ages 2-6. Each book will address a specific issue your child may be having. Tess is a stuffed toy Chihuahua given to Jonah as a gift, but when alone with Jonah and other children, she comes to life as an iconic Super Hero who rescues Jonah from everyday situations that cause him stress and anxiety. Every night, when Jonahs mind is racing and he has trouble falling asleep, Super Tess swoops in and whispers a story that calms his mind and eventually helps him fall asleep with a smile and overcome his fear. The Adventures of Tess, The New Sister is also available that helps children prepare for a new sibling in the home.
