

Monster Sleepover!

The little monsters are having a party, but this time its not for a birthdayits a slumber party! In their own quirky monster style, the friends play Simon Says, read fortunes, sing songs, have snacks, and of course, stay up past their bedtime!Small children in particular will enjoy laughing along to the all-too-familiar antics of these little monsters. Told in brief text, and panels that highlight the physical humor in each scene, this is the perfect book to share with a young child before his or her first slumber party.F&PLevel:JF&PGenre:F
