

The Cats Gallery (PlayTable) (Volume 1)

What happens when a published author and his artistic granddaughter team up to tell a fun story? The Cats Gallery is created, the first childrens book from the Grandparents Read 2 Me Series. Sophia is a talented artist who is somewhat concerned that the people in her family are the only ones who think her artwork is good. Then one night, something very strange happens. Her cats invite some of their friends over and ... This colorful book is packed with Sophias artwork from when she was only 4 years old. Her sometimes silly Grandpa Mac wrote the words and her hugging Grandma Mac reads the words. This childrens book will help you connect with each other while you laugh at those crazy cats. A great story, colorful pictures, a free bonus audio, and the opportunity to purchase a DVD of the book makes The Cats Gallery a real treasure. Dont miss the fun photographs at the end of the book. Find a grandchild and together enjoy a fantasy called The Cats Gallery.
